The Year of Mark

The year of St Mark begins in the lectionary from the first Sunday of Advent this year to the same time next year. Many of the Sundays follow this Gospel. Mark's main interest is the person of Jesus. He follows Jesus through his public ministry in Galilee and outside Galilee and finally to Jerusalem before the Passion. The crisis is reached when the fundamental question is posed to the disciples: 'Who do you say that I am?' Peter's confession of faith is at the heart of Mark's Gospel. In the year of Mark the Gospel sticks to his structure of and message with the exception of a major insert from St John's Gospel in which Jesus reveals himself as the Bread of Life.
