

Fr Michael

Welcome to Fr Michael who will be looking after the parish during the month of August. .

Molly Fletcher

Thank you to all who helped at the Mass for Molly Fletcher.

New Organ

Over the last few years we have been looking at the prospect of renewing the parish organ. One has come up at a very good price. The plan would be to put the other in storage and sell it when an eventual offer was made. The proposed new organ would be a great improvement on what the present one offers us. Any comments on the proposal would be welcome.

The location of the toilet will be removed to the parish hall. The present toilet will become the parish stall. Space is very limited in the church and there is no place, apart from below the church, to put the stall. The new position will allow greater access.

Indian Community

*Fr Sebastian is organising special days for the feast of the Assumption. This is one of the major feasts in India for Catholics. Our own Indian community will have three days in which they will mark the feast here in the parish. The event will have special visitors to direct the days. There will also be a special procession through the streets with our Indian Community bearing a statue of the Blessed Virgin. On one of the days **Cardinal O'Brien** will visit the parish to celebrate the feast of the Assumption.*

*Without God man neither knows which way to go, nor even understands who he is. In the face of the enormous problems surrounding the development of peoples, which almost make us yield to discouragement, we find solace in the sayings of our Lord Jesus Christ, who teaches us: "Apart from me you can do nothing" (Jn 15:5) and then encourages us: "I am with you always, to the close of the age" (Mt 28:20). As we contemplate the vast amount of work to be done, we are sustained by our faith that God is present alongside those who come together in his name to work for justice. Paul VI recalled in [Populorum Progressio](#) that man cannot bring about his own progress unaided, because by himself he cannot establish an authentic humanism. Only if we are aware of our calling, as individuals and as a community, to be part of God's family as his sons and daughters, will we be able to generate a new vision and muster new energy in the service of a truly integral humanism. **Pope Benedict XVI - Charity in Truth***
