Aid to the Church in Need

Thank you for the great response to the ACN projects in the parish this year. We were asked to raise £7000 to provide for the training of a doctor in Congo and youth workers in Vietnam. In actual fact we raised £14,500, double what we are asked to collect. What amazing generosity!

Year of Luke

St Luke was a gentile who was also believed to be a doctor (St Paul's letter to the Colossians). His Gospel is written to Theophilus, a serious enquirer about the life of Jesus. Luke's Gospel is written in clear Greek and with access to careful research and also with the help of his companion, St Paul. Luke is writing for Gentiles and consequently gives explanations of places and rituals in the Jewish faith. He has many themes which include: prayer, the importance of women, care for the poor and the message being for all. In his Gospel he also sets out the love of God that has come through Jesus and recounts some of the most wonderful parables of Jesus: the Prodigal Son, the Good Samaritan etc
