

# St Bride's Parish Bulletin

*"The saints are not people who never made mistakes or sinned, but who repented and were reconciled. Hence, also among saints there are oppositions, discords and controversies, and this is very consoling for me, as we see that the saints have not 'fallen from heaven.' They are men and women like us, with*

*complicated problems. Holiness does not consist in not making mistakes or never sinning. Holiness grows with the capacity for conversion, repentance, willingness to begin again, and above all with the capacity for reconciliation and forgiveness. And we can all learn this way of holiness."*
