Hall

I am sorry to have to report that a serious problem has been discovered in the hall which effectively means that it will be closed for the next few months. A pipe has detached spilling water into the floor area, meaning it will need to dry out and necessitating the whole floor being re-placed. All groups have been re-located in nearby halls or, where it has been possible, in the parish house. We have to wait until all the work is finished until we are able to move back into the hall.

ACN

The ACN group, which is raising money for the roofing of chapels in India and the building of a Pastoral Centre in Romania, thank everyone for their great support - £850 was recently raised for funds. **9th November** is the date for ACN Mass, Bishop Toal will be here for the Mass.
