## Year of Faith

- A special **Year of Faith** has been announced by Pope Benedict from **11th November 2012 - 24th November 2013**.
- The Year of Faith is to be a period of reflection and rediscovery of faith
- It will be an invitation to read again the great insights of the Vatican Council
- It is to be a period of authentic conversion
- It is a call to the start of new evangelisation by living the faith ourselves
- Dioceses are invited to engage in the year and find new ways to express our belief
- Faith is an act of our mind and professed with our lips
- We are being called to understand the faith
- We are to trace the history & witness of faith
- See charity as an essential response to faith.
