Feast of the Trinity

7th June 2009

On this Solemnity, the liturgy invites us to praise God not merely for the wonders that he has worked, but for who he is; for the beauty and goodness of his being from which his action stems. We are invited to contemplate, so to speak, the Heart of God, his deepest reality which is his being One in the Trinity, a supreme and profound communion of love and life. The whole of Sacred Scripture speaks to us of him. Indeed, it is he who speaks to us of himself in the Scriptures and reveals himself as Creator of the universe and Lord of history. Today we have heard a passage from the Book of Exodus in which - something quite exceptional - God proclaims his own Name! He does so in the presence of Moses with whom he spoke face to face, as with a friend. And what is God's Name? It never fails to move us: "The Lord, the Lord, a God merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness" (Ex 34: 6). These are human words but were prompted and, as it were, uttered by the Holy Spirit. They tell us the truth about God. They were true in the past, they are true today and they will always be true; they make us see in our mind's eye the Face of the Invisible One, they tell us the Name of the Ineffable One. This Name is Mercy, Grace, Faithfulness.
